READY TO GO — C. W. Bailey reins the mule team Vera and Kay in a trial run prior to the start of the Heart of Texas Trailride starting at Cameron next Thursday, September 26. The annual trailride event is expected to attract almost 400 riders from around Texas for the event. About 50 members of the Cameron Saddle Club will lead the two-day ride to Waco. The riders will arrive in Cameron next Wednesday night to prepare for the trip.

400 Riders To Leave City On Trailride Next Week

About 50 members of the Cameron Saddle Club will be among the leaders of the first Heart of Texas Trailride to leave here next Thursday, September 26.

They will lead an expected 400 riders from around Texas who will make the two horseback rides to Waco. Last year the first trailride left from Hutto.

The Cameron Chamber of Commerce will provide musical entertainment for the host of riding enthusiasts Wednesday when they meet in LeFetter Park prior to the Thursday morning departure.

Coleman Duncum, president of the Cameron Saddle Club, said that riders will begin arriving in Cameron Wednesday morning for the ride.

Two wagons and about 50 riders will represent the Cameron club, he said.

The whole group including about 15 wagons and the riders, will have a practice parade 5 p.m. Wednesday in Cameron, he said.

They will camp in Wilson-Lebetter Park overnight Wednesday. Richard Wilkinson and his rambler will provide musical entertainment Wednesday night.

Will Go To Fair
It will be a 5:30 a.m. departure time next Thursday for the group that will climax their ride Saturday morning September 28 when they ride into Heart of Texas Fair Waco.

Duncum said the group will

stay over at Lott Thursday night and at the Kadle Farm Friday night.

Cameron Saddle Club members participated in the first trailride last year, Duncum said. Their group will probably be the largest contingent in the group.

Gate Receipts Total \$2,395 In Homegame

Supt. Wiley Loughmiller today announced that total paid attendance at the Rockdale-Cameron game Friday was \$2,395 with total receipts at the gate \$1,982.

Each school netted \$938.55, he said. Ticket totals were: general admission, 1,270; student, 685; reserve seats, 268; and season tickets, 172.

Board Still Awaits Killeen Player Move

The Cameron school board Thursday continued to await Killeen's action on whether or not they will play a Negro in their line-up against Cameron.

The board moved last spring not to play Killeen if the Negro, Joseph Searles, played on the squad. A vote of school parents preceded the board's decision.

Also approved was a policy to bring school district rural students and their parents to Yoe High School football games if drivers would drive the buses without pay. The school will furnish gasoline.

And the board was advised by Supt. Wiley Loughmiller that Cameron would definitely go back to double-A class football next fall. Enrollment figures were not final, but Austin school officials said that the enrollment was at 360 new for Yoe High School.

Voted team physician for out-of-town games was Dr. C. G. Swift. Dr. David Shapiro will be unable to make out-of-town games. Elected to teaching posts at O. J. Thomas School were James Campbell, science instructor, and Leroy Flowers, mathematics.

Grid Rally - Parade To Set Stage For Brenham-Cameron Game Friday

Yoemen To Meet Ranking Club 8 p.m. There

Cameron's football Yoemen will collide with a powerful Brenham grid team Friday night at Brenham.

Rated one notch above Cameron in the state three-A ratings, Brenham will outweigh the speedy Yoemen eleven about 10 pounds per man, Coach Leo Jackson told The Herald. Brenham ranks 13th and Cameron 14th in the state three-A ratings.

Brenham defeated Bay City last Friday 32-0.

The Yoemen are in good physical shape following the Rockdale victory, Jackson said. The team will be ready for a tough night with Brenham's juggernaut, he added.

The team will participate in the Beat Brenham rally-parade-bonfire tonight in Cameron. They will leave by bus for Brenham before the Jaycee Brenham train departs at 6 p.m. Friday.

Jackson said that Brenham has three tough players in O'Malley, G. Bosse and Janner, a 10-second flat dash man. Last week Janner reeled off long touchdown runs from his fullback position.

Brenham will have a line averaging about 180 and a backfield tipping the scales at about 165. Cameron will average about 170 pounds through the lineup.

Zarosky will start at left end for Cameron, Jackson said.

The lineups are:

YHS Cameron	Wt. Pos.

Cameron-Brenham Road Hazardous, Trooper Advises

State Highway Patrol officials today advised The Herald that road conditions between Cameron and Brenham are hazardous and advised fans to ride the train if they intend to go to the game.

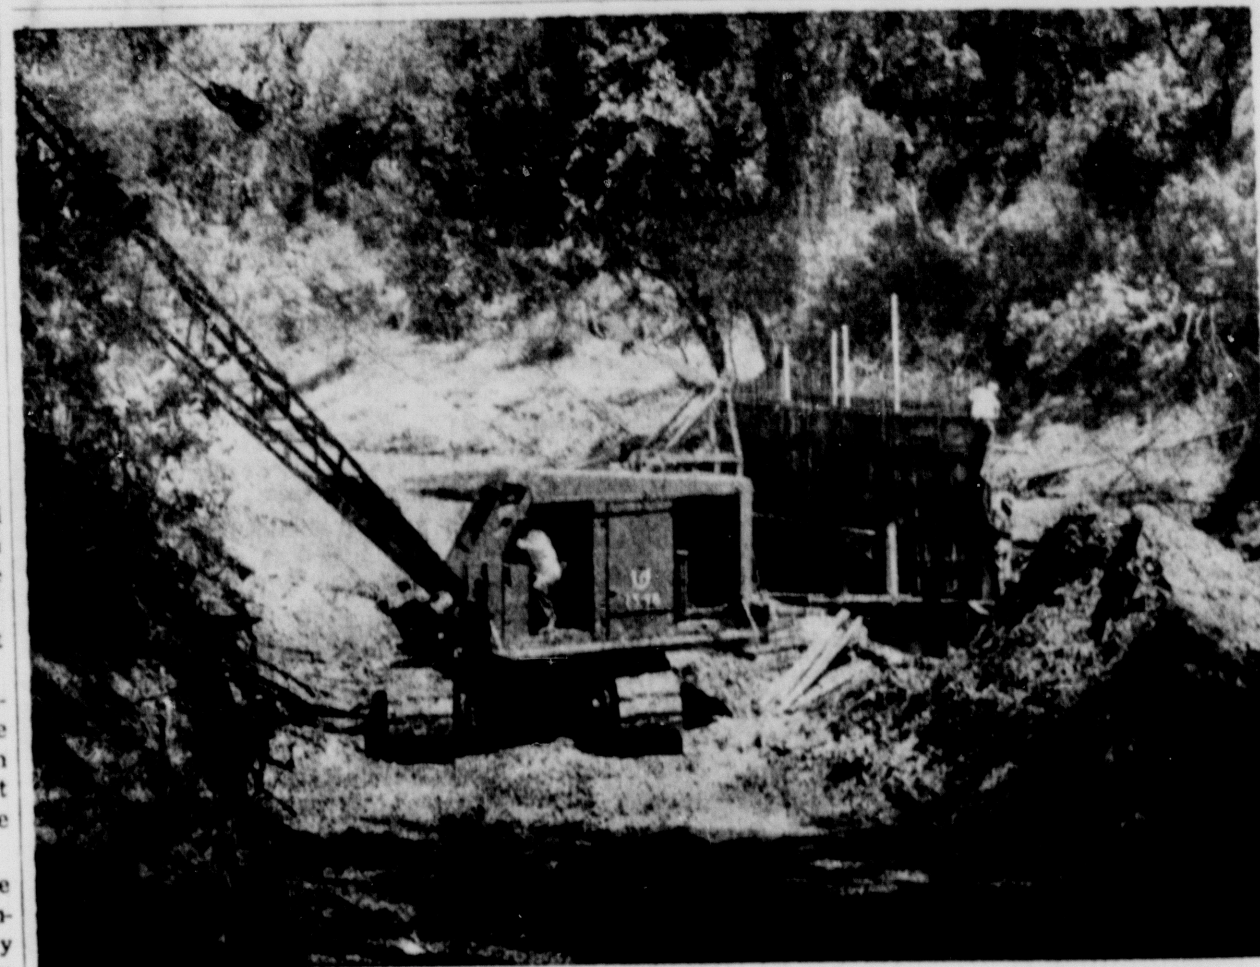

State Trooper John Blansett, Cameron, said that road conditions were extremely dusty from Cameron to Milano where construction is underway.

And he pointed out that SH 36 from Summerville to Brenham was extremely narrow and pockmarked with broken places in the road.

Blansett went on to say that the edge of highway toward Brenham had places where the berm was worn away, leaving severe drop offs along the roadside.

"I would say a safe driving speed on the road to Brenham is about 40 miles per hour," he said. Driving distance to Brenham is 65 miles, he said. Under these conditions, a safe driving time would be almost two hours to Brenham.

Blansett said traffic will probably be heavy after the game due to many other schools having football games along the way.

CONSTRUCTION CONTINUES on the intake station at Little River for the new city filtration plant. When completed, the pump station will be the second link between the Cameron water

plant ready for use. A 16-inch waterline was completed a month ago to the site of the new system. Above, a shovel moves earth around the pierced walls of the new intake point in Little River.

Farm Bureau Plans Community Meetings

Six Farm Bureau Community meetings have been scheduled next week prior to the Milam County Farm Bureau policy development meeting October 1, according to Miss Lenora Bickett, FB secretary.

Resolutions will be developed in the community meetings in the county for presentation at the Cameron meeting of Farm Bureau October 1 at the Yoe High School Agriculture Building.

John A. Smith, Jr., is chairman of the county committee, she announced.

Resolutions adopted by the Milam County Farm Bureau will be forwarded to the state convention in Dallas in November, Miss Bickett said.

The recommendations will cite ways to better agriculture in Texas and the nation. Both FB members and non-members are invited to attend the Milam County meetings, she said.

Meetings will be:
Rockdale — 8 p.m. Thursday, Rockdale High School Agriculture Building. J. D. Wooverton is director.

Buckholts — Monday, September 23, Buckholts school. Directors will be Mrs. Joe Zajicek and Arthur Inge.

Sharp — Tuesday, September 24, Sharp school. Mrs. Bernice Charles and Charles Duncan, directors.

\$2,500 Bid Rejected

The City Council approved the 1957-58 city budget Tuesday night with total estimated revenue at \$70,412.59.

Total tax receipts were expected to be \$58,979.94 with cash brought forward totaling \$15,412.59.

Councilmen also heard Richard Williams, city real estate representative, advise that the Sanders family now would sell only the entire 29 acres of land for the proposed sewer system east of Cameron to the Little River.

Offer Rejected
They refused an offer of \$2,500 for five acres of the land. The city holds an option to buy all 29 acres for \$11,000.

Thorndale — Wednesday, September 25, Thorndale School. Chairman is D. M. Phillips. Directors are W. A. Conn and Herbert Hiene.

Varrellton and Marakville — Thursday, September 26, Varrellton school. Robert Jungman and John Slovak are directors.

Briary School — Monday, September 30.

Briary, Clarkson, Baileyville — Monday, September 30, Briary school. J. D. Crook and Ted Ford will direct.

Wacoans Visit Cameron Tuesday For 'Heart' Fair

Cameron was visited Tuesday by a husband of Wacoans who were here to extend an invitation to the Heart of Texas Fair. The trip was sponsored by the North Waco Rotary Club.

The fair opens Saturday, September 28 with a parade through downtown Waco and the first performance of the world's championship rodeo will be held that night in the Coliseum, second largest in the State.

U. S. Senator Ralph Yarborough will officially open the rodeo.

Damage Suit Settled Here For \$31,000

A \$31,000 settlement was made Tuesday after a 12-man jury had been empaneled in a \$140,000 damage suit in district court filed by Cuca Ortega Guerro, 24, Caldwell.

Mrs. Guerro had filed for damages against R. B. Butler Inc., general contractors, Bryan, after suffering injuries in an auto accident Feb. 5, 1956 on US 190 at Belmena Creek Bridge.

She suffered disabling injuries to the brain when a car in which she was riding went off a new bridge being built by the Bryan firm.

She was riding with Frank Schubrick, also of Caldwell. He suffered only minor injuries.

Attorneys for the plaintiff and the contractors agreed to the settlement shortly after the last juror had been selected Tuesday afternoon.

Mrs. Guerro alleged that the bridge, being built just to the left of the old barricaded Belmena Creek Bridge, was unlighted.

She was hospitalized for three months following the accident.

Schubrick swerved to make the turn into the new bridge, officials said. But his car skidded off the side of the new structure on loose gravel into the creek.

She was thrown from the car.

Football Train Will Take Fans To Top Contest

Cameron caught football fever this week as the Jaycees, Quarterback Club, Chamber of Commerce, city schools and City of Cameron endorsed the Brenham football train leaving 6 p.m. tomorrow from Santa Fe station.

Final arrangements were underway this morning for a bonfire-rally and booster parade that will start about 6:30 p.m. today at the courthouse square and end up at Lawless Green.

Jaycee ticket sales were going well as about only 200 tickets were available in the city, according to Jaycee officials. The tickets—\$2 for adults, \$1 for children under 12—can be obtained from Jaycees and Quarterback Club members throughout Cameron, they said.

Students Ready For Rally

Meanwhile, Yoe High School students were getting ready for their first football parade-rally in several years. The student council and school officials said that the student body and band would be out in full force for the rally tonight.

Jaycee President Don Humble said that units of the city fire and police department would be on hand as well as hundreds of boosters of the football Yoemen, 38-13 victors over Rockdale Friday.

The Yoemen team will go on to Brenham prior to train departure time, Coach Leo Jackson said. But they will be on hand to join the cheers and yells of the student body at Lawless Green tonight.

Team players, coaches and cheer leaders will direct the rally that will be climaxed by a huge bonfire.

Milam County's FARM SCENE

Land leveling for irrigation and drainage is receiving high priority with SCS technicians in the Cameron area this fall. The continuous rainfall in the spring, followed by the dry summer weather, once again has made obvious the need for drainage and irrigation.

Joe and Herman Moeck, who farm in the Salem community, are raising irrigated corn, cotton and milo this year. They both report increased yields from the added water.

To Level Land

Plans are being made to level their land so that they can get the right distribution of water on the land when it is needed. SCS technicians of Cameron have staked 20 acres for their first leveling job.

Vance Copora, who has been an irrigation farmer at Hearne for several years, has moved into the Little River bottom, and he has had experience in watering rough land.

While developing his conservation plan for the entire farm, he said that his first conservation jobs would be to level the rough bottom land in order to get improved drainage and to set up a complete conservation irrigation system.

System Planned

SCS engineer B. C. Hanks has designed and laid out his irrigation system for the 200-acre field. Copora has started the leveling operation, and expects to complete the system this year. Conservation irrigation systems

can be applied to some of Milam County's Bottomland without land leveling, but in most cases leveling is necessary.

Increased interest in irrigation has resulted in Central Texas District Supervisors asking SCS technicians to give priority to farmers who are interested in developing irrigation system on their land.

Pamphlets Out

Two recently released publications prepared by R. V. Thurmond extension agricultural engineer, are aimed at answering some of the questions farmers are asking about rights in surface water for irrigation and ground water laws in Texas for irrigation.

City Poultryman Wins 2nd Place With Layer Entry

Laying hens entered in a national random sample egg production test in Missouri have won a second place for Ideal Hatcheries, Cameron, according to Leo Fuchs, Cameron poultryman.

Fuchs said that his entries won an over-all second place against top competition from 12 other states in the 350-day egg production competition. The tests were conducted by the Missouri State Testing Bureau at Mountain Grove, Missouri.

Fuchs has been receiving production reports on his birds each month for the past year.

They placed second in total number of eggs per bird laid in the testing period. They also rated second in large and extra large eggs, Fuchs pointed out.

And another second place went to Fuchs' birds when they earned a computed \$2.90 per hen net profit during the competition.

He said that his entries in other egg production contests in various parts of the country have scored from second to eighth. His Oklahoma entry now holds eighth place.

A total of 52 entries from 12 states were entered in the Missouri contest.

56 Buyers Purchase 508 Head Of Cattle At Cameron Auction

Cattle consignments totaled 508 Thursday at the Cameron Livestock Auction with 56 buyers bidding, according to auction officials.

The market was stronger in Cameron as most classes of cattle and calves moved freely. Quality cattle are in good demand, they noted, both in stocker and fat kinds.

Greatest demand was for quality stocker steers.

Hog prices continue to be good, officials said.

Buckholts Girl Wins 4-H District Test

La Velle Fisher, Buckholts 4-H Club, won first place in District competition on her 4-H Canning Record.

4-H records from twenty-two central Texas counties were entered for district competition in Stephenville on September 10.

Her record of home canning work will be sent to College Station to enter state competition in October. The state 4-H record will win an all expense paid trip to the National 4-H Club Congress in Chicago.

La Velle has also recently received the Lutheran 4-H God, Home and Country Award, presented to her by her local church for her 4-H club and church activities.

Weevils, Rains Hit Milam Cotton, Agent Points Out

September showers brought late growth, but did not improve prospects for Milam County's cotton crop, according to County Agent J. D. Moore.

He said that heavy boll weevil build-up in recent weeks has caused doubts about a "top crop" in county cotton.

But the recent rains would encourage planting of fall gardens, he continued.

If rains continue, Moore said, early oats planted by county dairy men and stockmen may grow out for early grazing.

In the small grains, rain also had its influence as Moore pointed out late hay meadows will harvest additional hay. Some late maize is still awaiting harvest, he continued, while the corn harvest will continue for another 30 days.

A question mark cropped up again when Moore noted early cotton is about in. Late cotton could make additional yields if insects are controlled.

He said upland cotton is disappointing.

The cattle market continues on an even keel, Moore said, with prospects for a strong market in the future. Food supplies are much better than last year.

Rains failed to help the county truck crops which have been harvested for several weeks. But pecans continue to fall due to previous dry weather, Moore concluded.

Winter Pastures Provide Grazing, Cut Feed Costs

COLLEGE STATION — Winter pastures are not an expense—they are an investment. They are the only dependable source of green grazing in the late fall, winter and early spring.

Good quality winter grazing can help to reduce the cost of wintering livestock and to maintain growth and production, says E. M. Trew, extension pasture specialist.

Winter pastures pay off from the soil standpoint too, points out Trew. They cover the soil preventing severe erosion and the roots add organic matter.

The seed should be planted at the proper time even if dusting is necessary, advises the specialist. Operators who have planted at the regular time in the fall—even when they had to dust the crop in—were way ahead when rain did come.

The plants came up, grew out and gave grazing much sooner than where seed were not sown until after the rain. However, some subsoil moisture is usually necessary for successful dry seeding.

A legume-grass combination often gives the best winter pasture, notes Trew. Such a combination often gives greater total production, a forage that is higher in protein and minerals and a grazing season that is frequently extended over a longer period of time. rye, vetch and sweetclover are among the plants most frequently used for winter grazing.

Cameron FFA's Hold Watermelon Feast

The Cameron Future Farmers of America held a watermelon supper September 9 at Ledbetter Park with 32 members attending, according to Pat Kelly, FFA advisor.

Clinton Wiederkehr, Yoe High School industrial arts instructor, and Ed Laywell, were guests of the chapter. It was the first meeting of the YHS FFA chapter this year, Kelly said.

Swine Production Info

A recently released Texas Agricultural Experiment Station publication, B-866, "Swine Investigations in Texas 1888-1957," has been prepared for Texans interested in swine production. It is available from the Agricultural Information Office, College Station, Texas.

One Typhoid Case Noted Last Month Health Unit Says

A case of typhoid was reported in a 10-months-old child in Cameron during August.

An investigation to determine the probable source is being carried out according to Milam Health unit officials.

Other communicable diseases reported during August were 7 cases of measles, 22 cases of streptococcal infection, one case each of gonorrhea and mumps and 18 cases of influenza. Several of the influenza cases have been confirmed as Asiatic influenza.

An influx of children seeking immunizations for school came during August. Twenty-one smallpox vaccinations and 36 diphtheria immunizations were given to children entering school during the month. Polio immunizations continue at a fairly high rate with 42 series completed and 10 boosters given during August.

All tourist courts and trailer parks in the county have been inspected officials reported. All that meet the standards of the Texas State Department of Health will receive approval placards in the near future.

First national presidential nominating convention in the U. S. was held in Baltimore in 1831.

A Tribute To Our Neighbors!

Those people who live next door or down the street a way or around the corner. Do you know them? Do you put yourself out just a little sometimes to make their lives more pleasant? A cheery "hello", a genial smile, an invitation to come in and sit awhile. These are the tiny miracles that make neighborliness blossom and grow into a thing of strength and beauty. Charity, they say, begins at home. Similarly, it is from your home that nextdoorhood emanates. Let's all be good neighbors. Remember, there is no tax on your investment in friendship!

Yoemen Pound Rockdale, 38-13

Crowd Watches YHS Speed Rip Tiger Defenses

Speed, will and a well-oiled football machine rolled up victory No. 1 for Cameron Friday night as the Yoemen dizzied a game Rockdale eleven 38-13 at Yoe Field.

A near capacity crowd of about 3,000 watched Cameron's Guy Dillon and Bobby Elliot outrace Rockdale defenders in identical 51-yard touchdown sprints. And they saw a spirited YHS line smother Tiger backs time after time at the line of scrimmage. Elliot also tossed two touchdown heaves to HB Warren Rinn in the second quarter to give the Yoemen a 26-0 halftime lead.

The Yoemen rolled up almost 400 yards in rushing while Rockdale ran up about 170 for two

touchdowns. Rockdale's Timmerman hit only three passes in 16 attempts as the Yoemen rushed hard and halfbacks covered Rockdale receivers well.

Elliot led Cameron on the ground with 135 yards with Dillon gaining about 85. He hit four out of eight passes.

Cameron backs ran almost at will around the ends and off tackle as Rockdale set for Dillon's charges through the middle.

Speed Opens Way
Speed, yards and yards of it,

put Cameron into a quick 7-0 lead in the first as Elliot marshaled the Yoemen 80 yards to paydirt in 10 plays after the opening kickoff. From the Cameron 20, Elliot ran for a first down to the 32. Rinn picked up 8 off left tackle, then scampered 25 yards to the Tiger 38.

Dillon got four, then four more. Elliot raced for 15 and a first. HB Hubert Marek slashed for 10 and another first down. At the Rockdale 7, Elliot slipped to the 1 and Dillon crashed for the score. His kick was good. Cameron 7, Rockdale 0.

YHS will then flustered the Rockdale club as Dillon eased his kickoff on side where a Cameron player flicked the ball out of bounds for YHS possession.

Cameron took the ball at the Rockdale 41. Rinn slashed for 11. Rockdale's Robinson stopped Dillon for no gain and Cameron drew a 5 yarder for offside. Elliot gained 7, Rinn 7 and Marek 3 first down.

Too much time cost Cameron 5 more yards. Rinn was stopped for no gain. But Elliot rolled right end for 11. After a third down fumble, Elliot then hit Dillon to the left with a pass for a first.

Dillon Scores

Dillon went over center for the score from the 2. The kick for PAT was wide. Cameron 13, Rockdale 0.

That was the turning point. After the next kickoff, Rockdale got their hands on the ball twice before the Tiger's Robinson fumbled Dillon recovered on the Rockdale 48.

Again the Cameron offense clicked off a first down, Dillon crashing for 6, Rinn running left for 4. Elliot sent Marek into the Rockdale line for 7, then flipped a 21-yard pass to Rinn for Cameron's third score. Dillon's kick was blocked. Cameron 19, Rockdale 0.

Elliot To Rinn

Rockdale took Cameron's kickoff, gained one first down, then was forced to kick. Cameron, sparked by Elliot's keeper plays, picked up two more first downs, then kicked.

Rockdale's Phillips returned Kirk's punt to the Rockdale 21 where four plays later Jenkins back to kick, fumbled a pass from center and was smothered by Yoemen Ends Ray Green and

George Zarosky.

Cameron took possession on the Rockdale 7. Elliot found Rinn open on the right and tossed his second TD pass. John Wayne Josey's kick split the uprights. Cameron 26, Rockdale 0.

Rockdale's Bartlett picked up a first and 10 just before the half ended.

Cameron kicked off to open the second half, but Rockdale failed to gain in three plays, kicking to the Cameron 49.

On the first play, Cameron opened a gaping hole for Dillon over right tackle and he raced 51 yards untouched for his third touchdown. The kick was wide. Cameron 32, Rockdale 0.

A series of downs following the kickoff netted Rockdale nothing and they kicked to the Cameron 45. Kirk moved the ball 17 in two plays for a first, then kicked to Rockdale on fourth down.

Josey Intercepts Pass

Rockdale's Timmerman moved the ball to a first down, tossed four incomplete passes, then threw a fifth pass that was intercepted by Josey on the Cameron 27.

Two plays later Cameron fumbled on its 32. The Tiger's Timmerman gained 8 for a first, then 2. Then Timmerman hit Crump behind Cameron's defense for a 22-yard pass and TD. Timmerman's kick was short. Cameron 32, Rockdale 6.

The third quarter ended with Dillon gaining 17 to Cameron's 49. Elliot called for an option play to the right. He turned right end and sprinted 51 yards for the final Cameron score. HB Marek sprang him loose at the sideline with a slashing block that cut down two Rockdale tacklers.

Cameron's kick was wide. Cameron 38, Rockdale 6.

Rockdale returned the kickoff to their 37, then picked up three first

2 and 3 Weeks Registration Now in Progress
Rates \$7 per month for first child, half price for other children in same family. Ballroom dancing instruction only \$4 each month. Classes for 5th and 6th grade children now enrolling. Please enroll before your age group class is closed.

Dance Training Provides the Foundation of Your Child's Success

From three to nine years, a child should take ballet, tap and acrobatic dancing to be taught coordination, rhythm and discipline by a capable teacher. Ballet for grace, posture and body control; tap for rhythm, accuracy, alertness and concentration; acrobatics for suppleness, strength, and health. To develop self confidence the small children are coached in singing along with their dancing. All four arts are necessary to hold interest and determine aptitudes in growing children.

Ballroom dancing for 5th and 6th grade boys and girls is a lot of fun, corrects shyness and anti-social behavior and is one way to become popular and successful.

We've almost forgotten the fearsome diseases of our childhood-diphtheria, meningitis, scarlet fever, pneumonia and ever smallpox. Today's "miracle drugs" have conquered these killers, and greatly reduced the time and cost of hospitalization and convalescence.

All this has been gained for you by Pharmacy's newer medicines, products of research and servants of your doctor and mankind.

Facts show that drug costs have not increased appreciably in the past 15 years, despite the great increase in "cost of living" and luxuries.

The Enthusiasm's Here

We saw real enthusiasm Friday night at the Rockdale-Cameron football game as about 3,000-4,000 fans jammed Yoe Field to see the two Milam teams play.

What stirs our imagination though is the possibility of putting all that interest in football to enthusiastic quest for industry for Cameron.

Getting industry can be a community project. It requires everyone's enthusiasm and co-operation as well as attractive offers to a potential industry's locating here.

Imagine the success of any project if the same amount of preparation and participation went into bringing new economic blood to Cameron.

Some say: Who would gain? The answer, of course, is all of Cameron. New jobs would be created. Payrolls would boost buying power in Cameron. The younger population could find jobs in their hometown rather than go to a city north or south.

We would have new tax resources for improving public facilities such as streets and lighting. Property values would increase. And a sounder economic picture would develop gradually in Milam County's seat.

Yes, that enthusiasm for football Friday showed that we have the stuff to add luster to the economic growth of Cameron.

THE LITTLE RIVER PHILOSOPHER

Sage's City Cousin Thinks
Country Has Financial Promise

By J. A.

The Little River Philosopher has had a visitor from town. Wonder who he was?

—Ed.

I've got a situation this week I don't know how to handle, so I'll just report on it and let somebody else decide on it.

A friend of mine from Cameron was out here visiting me on my farm yesterday afternoon after he got off from work in town and he said he was getting tired of hearing how inflation has hit the farmers.

"You farmers think inflation is limited to the farm, but I'd like to tell you it's in town, too," he said.

"I sympathize with you country folks, I know what it must be to fight low prices and high costs, but I'd like to point out to you folks in town have got some problems, too."

"One tractor blows out, I know, and your on the rim, but did you ever stop to think if one motor burns out on one of my appliances, I'm sunk? Have you ever stopped to think what a strain it is on a man's constitution to bear the washing machine motor stop suddenly when the machine ain't paid for yet? Do you know what it is to have the television set go blank 30 days after the guarantee runs out and a year before the last payment is made? You ever stepped on the starter of your car and found the battery dead on the day your overdrawn at the bank? You ever stop to think a man in town has problems, too? You

know how hard it is to feed and clothe and educate and doctor and entertain a family in town: it doesn't make any difference how much a man makes, it never is quite enough, even when salaries are high."

Well, I said, I guess you've got a point. What I want to know is, what're you going to do about it?

"Well," he said, "I've been thinking about it a lot and I've come to the conclusion that the only way for a man in town to make ends meet is to take on a second job in the country."

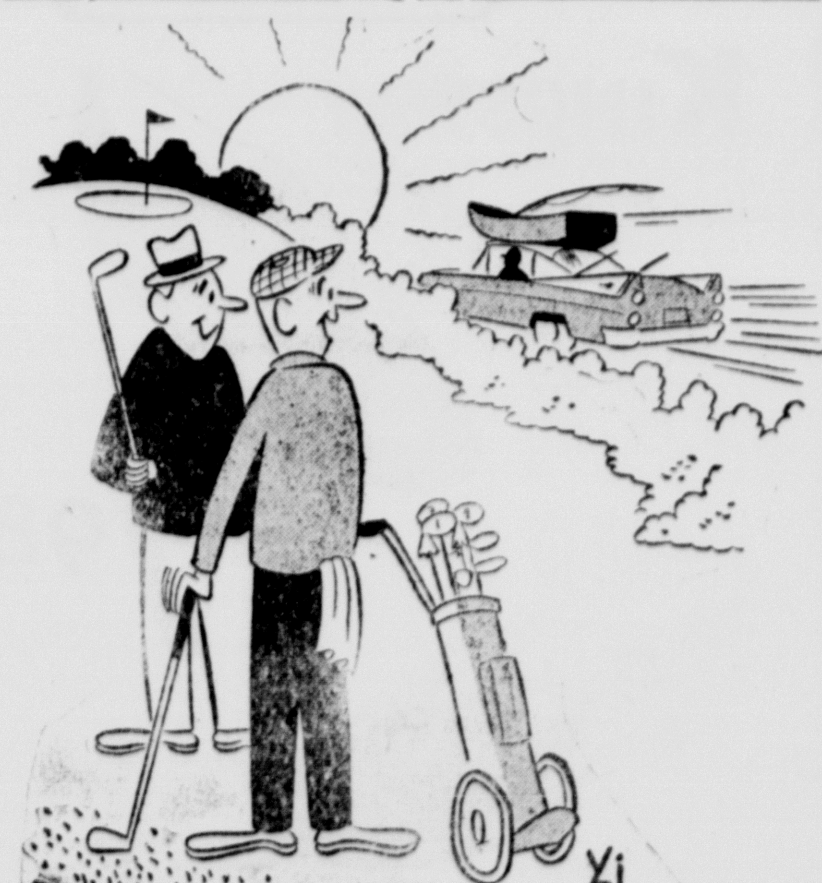

Wait a minute, I said. You've got this thing backwards. The agricultural experts are recommending that us farmers take on a job in town to supplement our income.

"That's where I got the idea," he said. "I'm not making quite enough in town to suit me, your not making quite enough in the country to suit you, so the only way out is for you to work part-time in town, me to work part-time in the country. This way we'll both get ahead."

Frankly, I don't know whether this idea will work, but it's sure something to think about. I've got plenty of work all right he could do out here on my farm, but I'd sure have to work a lot extra in town to get the money to pay him for it. Until further notice, though, I believe I'll just stick to the country.

Yours faithfully,

J. A.

Capitol Report

Legislature To Convene October 14

By Vera Sanford
Texas Press Association
AUSTIN — For the 72nd time in Texas, the Legislature will convene in special session Oct. 14.

Throughout the summer there was lively debate as to whether such a step should be taken. Gov. Price Daniel put an end to speculation by setting the date. Purpose to enact laws in regard to lobby control, representation before state agencies, crime study and water development.

Calling special sessions has been more the custom of Texas governors than not. Of the 71 previously called since Texas became a state, 41 have fallen in the 46-year period since 1911, almost one a year.

In most cases, the governors got the laws they wanted passed — sometimes by calling one session on the end of another, sometimes in a session as short as nine days.

WATER PROGRAM OKAYED
In one area — water development — legislators have their work cut out for them.

A 150-member statewide water committee approved a three-point program proposed by the governor. It calls for:

1. Appropriating \$1,024,000 to set up a planning division under the State Water Board.

2. Laws enabling the state to contract for water storage space in federal reservoirs.

3. An all-out push to rally support for passage of the \$200,000,000 water bond amendment to be voted on Nov. 5. Harry Provencher, Waco editor, is chairman of the campaign committee. Lon C. Hill, Corpus Christi businessman, is co-chairman.

Training Conference For Scouts Success, Chairman Reports

Hubert Davis, council training chairman, reported that the Training Conference held at Camp Tahuya Sept. 14-15 for the training teams of the Heart O'Texas Boy Scout Council was a success.

The following men attended from the Texas District: Cub training team, Dr. J. S. Russell, Dr. Walter Smith and Leonard Fischer, Merlin; Enos Lumpkin, advisor to training team, Marlin; L. G. Gonzenback and L. E. Gary, Rockdale Explorer training team.

Ted Matula and B. L. Archer, both of Cameron, are to make up the Boy Scout training team with Enos Lumpkin, but they were unable to attend the conference.

These teams will work with W. D. Essary, district training chairman, in conducting training courses for the leaders of Falls and Milam counties.

While at the conference Dr. Walter Smith received recognition from Dr. H. H. Brindley, Council President, for receiving the Scouters Award (one of the top training awards for scouters).

Cameron CYO Girls Win Baseball Game

Cameron CYO girls baseball team journeyed to Granger September 11 and won their bi-district game by a decisive margin.

Members of the team were Jeanette Richter, Kay Pernice, Annette Mees, Barbara Schattler, Barbara Gurecky, Lucille Jistel, Emily Jedlicka, Catherine Absnider, Genevieve Kostrom was substitute.

Accompanying the team were Rev. Alfred Kallus, spiritual director; George Absnider, Pat Dillon, Rita Vessels, Joe Vessels, John and Paul Jedlicka, Dorothy Mayer, Geri Kolodejak, Roy Whold and Catherine Mikula.

THOUGHT FOR TODAY: The day is at hand; let us therefore cast off the works of darkness. Rom. 13:12

PRAYER: Eternal God, we thank thee for thy watchcare during the night and for the joy and inspiration of the morning. We thank thee for the Risen Christ and for the hope and comfort he brings to our hearts. Amen.

LOST BOY

Dry those tears, Sonny. The Law has brought you home.

But when you're grown up, don't get lost then—for the Law won't be able to bring you home!

Sure, grown-ups often get lost. They choose the wrong road, they take the wrong turn, they depend on the wrong ideas, they seek the wrong aims. And some of them get lost again and again.

Why can't the Law bring them home, too? Well, when a grown-up gets lost he generally does a lot of harm to himself and others. And then it's the job of the Law to protect people from the harm he is doing.

But, Sonny, when you grow up you're not going to get lost. We have thousands of churches for youngsters like you—and for your parents, too. Churches teach us to find ourselves before we have a chance to get lost.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Many Parties Fete Miss Colburn Here

Miss Jimmie Rae Colburn, daughter of Mr. and Mrs. Herbert Colburn, and bride-elect of P. J. Hendee has been honored with a number of parties in Cameron and Temple the past few weeks. Miss Colburn and Mr. Hendee will be married October 19th at the First Baptist Church in Cameron.

Sunday Breakfast

Mrs. Alva Sanders entertained the bride-elect with a breakfast at her home on September 8th.

The breakfast table was laid with a white grass linen cloth and the centerpiece was of white carnations centered with blue bells. Tiny pairs of blue and white bells were presented as individual corsage favors.

The table service was of all white and crystal.

Tomato juice, dainty sweet rolls, floral mints and coffee were served to 8 guests including Miss Diane Simms of Wortham.

Shower In Temple

Miss Martha Fischer and her mother, Mrs. W. H. Fischer, honored Miss Colburn with a recipe shower at their home in Temple last week.

A dried arrangement was the focal point in the den where the 20 guests embroidered cup towels for the honoree.

Nell Gero Fischer assisted in serving the guests.

Special guest was Miss Rita Reid, Cameron.

Dinner Party

Misses Rita Reid and Ann Knipp entertained with a dinner party on Friday evening at the Reid home honoring Miss Colburn.

Small tables were set in the living and dining rooms and wedding bell place cards marked the places for the twenty guests. The tables were covered with white cut-work cloths and each was centered with a package tied in white and blue, the bride-elects chosen colors.

Milk glass candle holders and a tall flower holder held an arrangement of white asters with blue net, satin streamers and orange blossoms. All appointments were of blue and white.

After the two course dinner, Miss Knipp gave a toast to the bride and the packages in the center of each table were presented to Miss Colburn. They contained the coffee server and four mugs in her chosen pottery and were gifts of the hostesses.

Special guests were Miss Martha Fischer, Temple, Mrs. Colburn, mother of the bride-elect, Mrs. August Knipp and Mrs. Frank Reid.

Recipe Shower

Mrs. Max McClaren, Mrs. John Solomon and Mrs. John H. Davis were hostesses to a recipe shower for Miss Colburn Friday morning.

Mrs. Emory Camp and Mrs. Jack Dubois assisted in serving cold curried chicken in scalloped orange halves, cheese biscuits,

meringue drops and coffee to the 24 guests.

Arrangements of white Clematis and blue plumbago were used in the party rooms. The arrangement on the serving table held a miniature bride doll.

The hostesses presented the bride-elect with a corsage of gold mums and a set of goblets in her chosen milk glass.

Bride-Elect Honored At Brunch Recently

Miss Mary Lee Bartlett, bride-elect of Lester Lankford, Jr., was honored September 7 with a brunch given by Mrs. Coy C. Arledge.

A menu of baked ham, stuffed tomatoes, deviled eggs, pickles, olives, potatoes au gratin, cherry salad, iced tea, hot rolls and date bars were served to Mrs. Bob Adams, Bryan, Misses Martha Ann Collins, Beverly Freeman, Jane Henderson, Mrs. Albert Michalka, Mrs. Charles Richards and the honoree, Miss Bartlett.

Local Flower Show Judges In Waco For Central Council Meet

The Central Texas Council of Nationally Accredited Flower Show Judges met recently in the Directors Room of the First National Bank in Waco to start their second year of study. The group was organized in September 1955.

Cameron Judges who attended the regular monthly meeting were Mrs. Leo Fuchs, Mrs. R. G. Grabbein and Mrs. Alvin Dusek.

Membership in the Central Texas Judges Council is limited to flower show judges in good standing, who have completed five national flower show schools and passed an examination on Study books used during the school. Accredited judges must renew their standing by attending refresher courses from time to time. Topics include horticulture, flower show practice and flower arranging.

Object of the organization is to interpret standardized judging rules, pursue advanced study of garden subjects and assist garden clubs on request. The group is under the direction of State Garden Clubs, Inc.

Monthly programs for this year are on "sharing". Members have agreed to act as consultants for particular plant societies, and on occasions will have information, bulletins and text books to share.

Mrs. Alvin Dusek of the Cameron Civic Garden Club is a consultant for the American Amaryl Society in the council of judges.

River deltas are so called because their triangular shape resembles the Greek letter, Delta.

Mr. and Mrs. F. W. Vogelsang of Cameron announce the approaching marriage of their daughter, Frances William, to Mr. Byron F. Wise, son of Mr. and Mrs. Charles D. Wise of Brownfield. Friends of the family are invited to the wedding on September 29 at 4 p.m. in the First Presbyterian church of Cameron, and to the reception immediately following the ceremony in the church basement.

Miss Vogelsang Honored Sat. With Tea-Shower

Mrs. C. P. Young and Mrs. Minnie Boedeker were hostesses for a tea-shower Saturday at the home of Mrs. Willis Vogelsang honoring Miss Frances Vogelsang, bride-elect of Byron F. Wise.

About 100 guests called at the Vogelsang home during the tea hours. Floral arrangements of peppermint carnations, erythraeums and plumosus decorated the party rooms.

Mrs. Martha O'Quin presided at the punch bowl and Miss Jane Vogelsang served the white cake squares which were decorated with red roses. The centerpiece on the serving table was of peppermint carnations, carrying out the bride-elects chosen colors of red and white. The flower arrangement was flanked by silver candelabra. Crystal and silver appointments were used.

Miss Vogelsang chose a dress of white embroidered linen and wore a peppermint carnation corsage, a gift of the hostesses.

TEL Class Meets With Mrs. West

The TEL class of the First Baptist Church met last week at the home of Mrs. L. N. West for their regular business meeting and a surprise birthday party for their teacher, Mrs. W. M. Fanning.

Billie Nell Johnson Marries Richard Helmut Jackson Saturday

In a candlelight wedding at the First Methodist Church on Saturday evening, Miss Billie Nell Johnson, daughter of Mr. and Mrs. Tillman Johnson, and Richard Helmut Jackson, son of Dr. and Mrs. B. F. Jackson of Donelson, Tennessee, were united in marriage.

The groom's father, Dr. Jackson, performed the double ring ceremony, assisted by Reverend E. J. Davis.

Gold mums and greenery with lighted tapers in seven branched candelabra decorated the altar. Gold ribbons marked the reserved pews.

Mrs. Hillard Thomas gave an organ prelude of bridal music and accompanied Miss Charlene Carr of Bay City, who sang Because, I Love Thee, and The Lord's Prayer. During the ceremony Mrs. Thomas softly played Trau-mere.

The bride, given in marriage by her father, was gownned in ivory satin designed with a pearl embroidered Venice lace yoke forming a bateau neckline, and long tapering sleeves. The princess skirt extended into a chapel train. Her fingertip veil of imported illusion fell from a coronet of lace encrusted with seed pearls. She carried a bouquet of white gardenias tied with satin ribbons. Her only jewelry was pearl ear rings.

The bride was attended by Miss Dorothy Johnson, her sister, as maid of honor, and Miss Frances Voglesang and Mrs. Aaron Fry of Corpus Christi as bridesmaids. They wore waltz length dresses of glolite satin in shades of honey-amber, and gold with headresses in the matching shades. They carried cascade shaped bouquets of gold mums and pompoms.

The bride's mother was dressed in a pastel blue faille dress with matching hat and black accessories, and wore a shoulder corsage of white pom poms. The groom's mother was dressed in a grey lace dress with matching grey accessories and wore a shoulder corsage of orchid pom poms.

Steve Jackson, of Donelson, Tennessee, brother of the groom, served as best man. Drexel Riley, of Georgetown, and Vance King, Jr., of Marshall, cousin of the groom, served as groomsmen. Ushers were Phillip McCall and Eldon Batte.

Immediately following the wedding, a reception was held in the Fellowship Hall of the Methodist Church which was decorated with baskets of gold mums. The bride's table was laid with a gold tablecloth, and an arrangement of gold pompoms topped the table. The wedding cake, centered with wedding bells tied with white satin ribbons, net, and lily of the valley, and decorated with gold calla lilies, was served by Mrs. Dana Monroe.

Mrs. Richard Wilkinson was at the punch bowl. Mrs. Alva Sanders, Miss Carol Ann Sanders, and Mrs. W. A. Bonds assisted with the serving.

The bridesbook was presided over by Miss Charlene Carr, and music for the reception was rendered by Mrs. Hillard Thomas.

The bride, a graduate of Yoe High School, has completed her Sophomore year at Southwestern University in Georgetown. She was a member of Southwestern University A'Capella Choir, and of Delta Omicron, also songleader of Independent Girls Organization.

The groom graduated from Donelson High School in Donelson, Tennessee, and has completed his

Albert Richters Living In Austin After Wedding

Mr. and Mrs. Albert Richter, Jr., are living in Austin following their marriage September 7th at St. Patrick's Church in Galveston. The Rev. John J. Ruddy officiated.

The bride was attended by Miss Bonnie L. Taylor, Miss Marilyn Pratali, Miss Ann Eiband all of Austin and Miss Pat Matula of Cameron. Frederick G. Richter of San Antonio assisted his brother as best man, and groomsmen were Murphy Heise of Houston, Taylor Metcalfe, San Marcos and Edward Macal, Cameron.

A reception followed the church ceremony in the Charcoal Galley of Jack Tar hotel.

Cameron guests included Mrs. Steve Macal, grandmother of the bridegroom, Mr. and Mrs. J. C. Andres, Mrs. Jerry Mikula, Mr. and Mrs. W. J. Brashear, Mr. and Mrs. L. J. Matula and children, Miss Angas Macal and Joe Richter.

Mr. Richter is a junior student in mechanical engineering at the University of Texas. He is a member of Southwestern University Choir and songleader of Independent Boy's Organization.

The bride chose a burgandy two piece dress with white gloves and black accessories for their wedding trip in the Ozarks. Her corsage was a white gardenia.

The couple will attend Peabody College for Teachers in Nashville, Tennessee, this fall and will be at home at 1403 18th Avenue South, Nashville.

TELEPHONE TALK

by C. L. Carson, Manager

IS IT IMPORTANT?

Do you realize the importance of your telephone service in Cameron? Let's analyze it for just a moment. Does your telephone bring you closer to your friends? Does it help you to plan your day by calling and making appointments? Does it save you steps to the grocer? Has it ever been used in your house to summon the doctor, policeman, or fireman in an emergency?

I am sure all of us use the telephone more than we realize, and we place a high value on the service it renders but just don't realize it until we give the matter some serious thought.

SAFELY BACK TO SCHOOL

Well, it's September and school bells are ringing again. It's a good time of year to remind ourselves to be even more cautious in our driving - especially until we get accustomed again to "school stops" and small-fry pedestrians.

Here at the telephone company, we've always stressed safe driving - "Safety consciousness" as well as care and skill handling our cars and trucks.

Telephone men here in Cameron deserve much credit. Year in and year out, they drive thousands of "safe" miles. Thanks to their records and similar ones established by telephone drivers in other cities, Southwestern Bell again won the National Safety Council's Award of Honor in 1956.

DON'T RUN! REACH!

Next time your telephone rings, think about this: Can you reach out and answer it... or do you have to run for it?

Is it handy? Or is it in some out-of-the-way place? Maybe even on a different floor?

The cost of having telephones wherever you need them around the house is surprisingly low, especially in comparison to the comfort and convenience they give you.

Each extension phone costs only \$1.00 a month plus a one-time installation charge.

Why don't you call or come by the telephone business office? Let us help you plan complete, convenient telephone service. More and more people are learning the modern idea is to have phones within easy reach.

Call by number. It's twice as fast.

Former Grid Yoeman Joins SWTSTC Team In Freshman Year

SAN MARCOS - Monroe Bayer, son of Mr. and Mrs. H. L. Bayer of Cameron, is starting his freshman year at Southwest Texas State Teachers College and is inserting his 230 pounds in a tackle position on the Bobcat football squad.

At Cameron High School, Bayer lettered three years, captained the team, and won all-district honors in 1955 and 1956. At 6' 1", he also participates in baseball and track.

Bayer is a physical education major with aspirations toward coaching.

R. W. Parker, head football coach at Southwest Texas State, termed his 1957 squad "one of the youngest in the school's history."

Cardinals Win Final Game Of Season, 8-3

The Cameron Cardinals September 8 closed out a good season with an 8-3 win over the Bryan Lulacs in a return engagement here.

John Marshall was the winning pitcher while Rosenberg relieved Marshall in the top of the seventh inning. Catcher was Marion De LaRosa.

The Cameron club completed a 13 won, 5 loss season.

as football drills began September 1.

The Bobcats have only 10 lettermen returning from their 1956 team which won six and lost three games. A member of the Lone Star Conference, Southwest Texas will play a tough 10-game schedule this year. The Bobcats open their season against McNeese State College Sept. 14 at Lake Charles, La.

Managers of the club boasted a well balanced unit that included: pitcher John Marshall, catcher and fielder Jim Rettig, catcher and fielder Marion De LaRosa, third sacker Butch Polzer, second baseman Glenn Rosenberg, first baseman Pete Ortiz.

They cited the work of substitute Trine Mendoza and left fielder Cruz Reyes and Zeke De LaRosa. Center Fielder was Joe Michalka, while Tony Mendoza was right fielder and Eli Zalazar played as substitute.

Managers were Cruz Reyes, J. D. Sariano, Henry Mendoza and Isadore Tamez.

Cameron's Eddy Lankford

Lankford Will Key SWTSTC Offensive

SAN MORCOS — Eddy Lankford, son of Mr. and Mrs. N. L. Caperton of Cameron, was one of 50 footballers who reported here last week for the first fall practice at Southwest Texas State Teachers College.

Lankford, the only letterman

halfback on the Bobcats squad, will be a key man in the SWTSTC running attack this year. A track letterman, he is one of the fastest men on the squad.

A three-year letterman at halfback for Yoe High School's Yoe-men, Lankford won all-district honors in 1962. He also participated in track and basketball.

Lankford is majoring in physical education at Southwest Texas State, and plans to be a coach. He is married to the former Carolyn Gless of Edna.

R. W. Parker, head football coach at Southwest Texas State, termed his 1967 squad "one of the youngest in the school's history" as football drills began Sept. 1.

The Bobcats have only 10 lettermen returning from their 1966 team which won six and lost three games. A member of the Lone

Weido's Sprint Gives Buckholts Edge Over Hutto

Leland Weido sprinted an important 34 yards for the Buckholts Badgers Thursday night to give his team a final touchdown and the 28-22 decision over the visiting Hutto Hippos.

His TD broke up a tie ballgame with two minutes left in the last quarter. It was the first win for the Badgers who the week before were downed 25-0 by Oakwood.

The Badgers appeared to be well in command of the fracas until late in the third quarter when Hutto's Finn dove for a TD and

Star Conference. Southwest Texas will play a tough 10-game schedule this year. The Bobcats open their season against McNeese State College Sept. 14 at Lake Charles, La.

Other foes for SWTSTC are Texas Lutheran, Howard Payne, Texas A&I, Sul Ross, Stephen F. Austin, Abilene Christian, Lamar Tech, Sam Houston State and East Texas State.

scored an extra point to tie up the ballgame 22-all.

His efforts overcame a Buckholts 22-6 lead piled up by two passes for TD's with Lamar Greasak pulling in Nathan Fritz tosses for eight and 50-yard touchdown plays.

Early in the first quarter the Badgers struck paydirt when Finn broke loose for 30 yards and a TD. But Buckholts countered with TD plunge by Weido and an extra point that put Buckholts ahead 7-6.

Hutto's Finn again charged into the limelight when he tackled Fritz in the endzone for a safety for Hutto. Then Hutto's Jim Richards went six yards for a score.

But Weido broke up the ballgame with his final fall.

Buckholts plays its first game away Friday night at Pflugerville.

... SKIP OR SKIMP BREAKFAST

Why Eat a Good Breakfast?

The answer to this question is based on six years of research conducted by the College of Medicine at the State University of Iowa. Seventy subjects, 12 to 83 years of age participated in the research. The research demonstrated that:

A good breakfast is essential for maximum efficiency, both physical and mental, during the late morning hours, and that a basic cereal and milk breakfast is a sound one.

A basic breakfast defined as providing one-fourth of the calorie requirement and one-fourth of the daily protein allowance is superior in maintaining efficiency in the late morning hours, when compared either with a larger or smaller morning meal.

The omission of breakfast by school boys resulted in poorer attitudes towards school work and in lower grades.

Start new during SEPTEMBER BETTER BREAKFAST MONTH to re-establish the breakfast habit for the school and work days ahead. Start each day with a light, modern cereal and milk breakfast of fruit, cereal, milk, bread and butter.
